Terms and Benefits of Membership

- an opportunity to follow every one of the horses in the Syndicate.
- where available, to receive a share in any of the prize money won by the Syndicate's horses in accordance with the terms and conditions.
- tickets to races where the syndicated horses run (one per member)
- membership is effective from 1st December 2008 to 31st May 2009.
- prize money won by the horses during the period of membership is distributed equally amongst the Members at the end of the Member's 6 months period. There can never be any guarantee of any future level of prize money, given that this is dependent on how well the horses perform on the racecourse and the quantity of Members at the point of each race.
- the sum distributed to Members per specific race is determined by the relative net total paid to the Syndicate by Weatherbys. The only additional deductions from race prize money are costs relating to a race outside of the United Kingdom or any race where an entry supplement is paid. In all circumstances the 6 months membership fee is not subject to any additional requests for payment in relation to the keeping, training and racing of the racehorses, no matter what costs the Syndicate may incur.
- Membership is primarily an entertainment. It is not an investment opportunity.
- If the Member chooses not to renew at the end of the 6 months period, the membership shall expire. There is no commitment to remain a Member after the 6 months period has expired.
- The membership fee shall include the provision of a regular newsletter as to the progress of the horses. To further enhance the entertainment, additional free publications may also be posted from time to time.
- In view of the unpredictable nature of the industry, no specific guarantees can be made in any respect. For example; whilst the intention is to maintain an average of 1 horse in training, 3 newsletters in a 6 month period, there are no specific guarantees.
- Hospitality events linked to a race meeting, normally involve a 2 or 3 course lunch + facilities. These are normally offered at commercial rates.
- Membership is for personal use only and cannot be utilised for any commercial purpose.
- Copyright of all published material is the property of the Syndicate. Material submitted by Members (letters to the editor, photographs etc.) must be their own work and the full copyright shall pass to the Syndicate. Photographs are not normally returned.
- Members must be aged 18 or over.

It is understood by the Member;

- full legal and equitable title to the horses referred to in the Syndicate remains at all times with the Syndicate.
- at no time does the Member have a legal or equitable interest in any one or more of the horses referred to in the Syndicate (or any share thereof); and
- all rights conferred to the Member by the Syndicate are personal to the Member alone and may not under any circumstances whatsoever be gifted, sold, assigned, leased, form part of a loan, offered or granted as security to any third parties.
